MONTHLY

NEWS LETTER

NOVEMBER, 2015

PENSION PAYMENT THROUGH (DCS), KPO TRAINING

In order to convert all manual Pension payments to Direct computerized payment through Banks. Accountant General's office has initiated a massive conversion programme of pension through Direct Credit System (DCS), and plans to do away with the manual payment by March next year.

To make this scheme successful within the stipulated time, services of 64 Key Lunch Operators have been obtained in collaboration with the Finance Department to computerise pension records at the Provincial capital as well as District level.

The training of a batch of 32 KPOs was completed and certificates were given by Shahzada Taimur Khusrow Accountant General Khyber Pakhtunkhwa.

The step was taken on the directives of federal Finance Minister, who had ordered wrapping up the manual payment system by March 2016. Till November, 2015 about 25000 pensioners have been converted on to DCS and pensions are being directly credited in the Bank accounts of Pensioners.

The total number of pensioners in Khyber Pakhtunkhwa is around 150,000. After conversion into the DCS, the pensioners would be able to get their pension through ATMs and through their banking cheque books. This will facilitate them from the agony of waiting in long queues outside bank branches. The pension payment would be credited into their accounts each month and the pensioners would be issued computerised pensioners smart cards containing all their particulars after handing over of their pension books.

DISTRICT AND AGENCY ACCOUNTS OFFICERS CONFERENCE

The DAOs Conference was held after nearly 4 years. It was considered that what interaction and coordination with the field offices ie District,

and Agencies was very critical in getting feed back from the field office to know their problem and to improve their working and performance.

The District Governments setup in Khyber Pakhtunkhwa has been established under LGA 2013, which has started functioning since September 2015. The pre-audit functions and maintenance of accounts of District Government, Tehsil Municipal Administration, Village & Neighborhood Councils have been incorporated in Article 36 of LGA 2013. The work load has increased manifold in the Field Accounts Offices due to this new setup. The Accountant General K.P foreseeing the administrative, accounting & other problems convened DAOs Conference on 17.12.2015. This conference not only provided an opportunity for direct interaction but also various issues affecting the working of Field Accounts Offices were discussed in detail.

All the DAO and AOs were directed that the computerized workflow must be followed in all DAOs. The Additional Accountant General Pakistan Revenues (Sub Office) Peshawar also highlighted the issues being faced in Agency Accounts Offices. The Accountant General took notice of the non-compliance of instructions for following

workflow on the system and computerization of all employees by Field Accounts Offices. The Accountant General categorically informed the District / Agency Accounts Officers to follow workflow of the system for transparent financial reporting to the stakeholders without compromising on observing the code formalities. He stressed
